I'm not good at Japanese... Do I have a chance to work in Japan?

When should I start job-hunting?

I don't know how to search for jobs...

What do companies value the most when recruiting?

Strategy for a Successful Job Search

Work in Japan Seminar

for International Students

Only 35% of international students find a job in Japan... Because Japanese job hunting is very rare Schedule, evaluation point and interview style etc..

However, if you learn about the employment and recruitment culture of Japanese companies and approach job-hunting correctly, you will definitely get a job offer in Japan!
